

DECLARATION

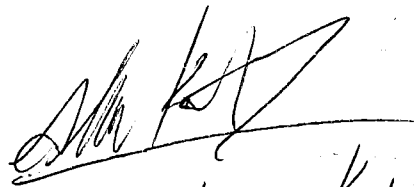

Pursuant to Tx Civil Practices & Remedies Code § 132.001-003, I Allen Leoy Knight TDCJ # 2019159 currently housed on the Bill Clements High Security in Potter County Texas, Hereby attest under the penalty of Perjury that the following is true and correct!

On 12-21-16 I witnessed Capt Flowers, Sgt Waak and CD. Leonard approach cell 232 on H Pod where Kevin Johnson is housed. They pulled him out of his cell and took him to the holding cell. Several new officers and the above mentioned started packing Mr Johnsons property into 11 chain Bags. I even saw them throw his Soap and cups to drink out of away in the trash. I asked Lt ~~Turner~~ ^{"AKK"} Turner what is going on. She said they were confiscating all of his property because it is illegally stored. I know for a fact that the Law Library had him separate his property for a "Legal Storage" Review. They were supposed to come go through his stuff to show him what he can or can not keep under his extra Legal/Medic storage.

Mr Leonard Brought Mr Johnson Back to his cell and asked for Rank. When Sgt Waak came she ended up having officer Leonard spray him w/ ~~gas~~ gas after she said they would "Kick his ass" ect... this is the same exact type of ~~AKK~~ ^{"AKK"} stuff they did to inmate Woolverton before they sprayed and killed him. They Took inmate Lomoux's Property and threatened him as well and he ended up Dead also. I actual fear for my safety and the possibility of not being allowed to go

to the "grad" program due to my writings this.

Mr Johnson asked several times starting around 1230 PM to have his cell decontaminated to have his Body and eyes decontaminated. and for fresh air. The Officers and Medical Staff were choking on the run I know Mr Johnson must have been going through terrible trauma. It's 6:41 PM and He still ~~sits~~^{lacks} sits in his cell and has had no type of medical attention or decontamination process done. He Never threatened any one. He placed No Body in harms way!
